
2019 Schedule

Full details to be communicated throughout the year

Month	Date	Event
March	27	The Neuroscience of Knowledge Work – Managing the workplace beyond buildings Transition Group Workshop 1 <i>In the world of knowledge work, the human brain is the most important tool we bring to work every day. This highly informative kick-off session will provide expert explanation and insight into how the brain works, how to maximise its performance and, subsequently, how this knowledge can be used to design the ultimate workplace experience.</i>
May	13	Using Research in Workplace Management Interactive Online Workshop 1 <i>In the world of knowledge work, the human brain is the most important tool we bring to work every day. This highly informative kick-off session will provide expert explanation and insight into how the brain works, how to maximise its performance and, subsequently, how this knowledge can be used to design the ultimate workplace experience.</i>
June	04	Workplace Management Strategy Workshop <i>An introduction to the evolving discipline of Workplace Management, the Workplace Management Framework and online Maturity Assessment Tool for senior leaders, and an approach to using them to transition their organisations to Workplace Management.</i>
	11	Nutrition, Hydration and Cognitive Performance Research Initiation Workshop <i>AWA's research has proven that hydration and nutrition are important in cognitive performance. Now we want to know WHAT to eat and drink, WHEN and whether there are PATTERNS we should know about. This kick-off session will enable Members to meet the research team and contribute to the formation of the research scope through considering key questions to be answered and how the outcomes could be used.</i>
	24	Enhancing Cognitive Performance in the workplace Interactive Online Workshop 2 <i>An interactive session designed to reveal the factors that make the most difference to the performance of the brain at an individual level.</i>
	24–28	Workplace Week New York – www.workplaceweek.com <i>An opportunity for workplace professionals around New York City to enjoy exclusive behind the scenes workplace tours of many of Workplace Week New York's headline organizations.</i>

2019 Schedule

Month	Date	Event
July	11	<p>Managing complex multi-disciplinary workplace change Transition Group Workshop 2</p> <p><i>Changing workplace practices, behaviours and processes in today's fast paced business environment is a challenge for all organisations. Featuring high-level case-studies from leading organisations, the session will share valuable insight into the key skills, tone, practises and techniques needed to achieve highly strategic and effective, workplace transformation outcomes.</i></p> <p>Case study: Willis Towers Watson's implementation of their New Ways to Work programme</p>
	11	<p>Leaders Forum</p> <p><i>The Leaders forum is an enjoyable early evening event for the most senior leaders at which we will debate and explore topics of strategic interest relevant to members.</i></p>
August		<i>Summer intermission</i>
September	11	<p>Workplace Performance Management Transition Group Workshop 3</p> <p><i>Managing workplace performance management is a multi-faceted, multi-dimensional task that is not for the faint of heart. To help leaders maximise the performance of each individual and community within the workplace, this dedicated session will explore the highly effective techniques that can be used to accurately measure human and workplace productivity, efficiency and utilisation.</i></p>

2019 Schedule

Month	Date	Event
November	11-15	Workplace Week London <i>An opportunity for AWI members to enjoy exclusive behind the scenes workplace tours of many of Workplace Week London headline organisations. For details of the full line-up, visit www.workplaceweek.com</i>
	20	Managing modern workplace capacity Transition Group Workshop 4 <i>In a 'traditional' workplace, 'capacity' referred simply to the number of desks in the workplace. However, fast forward to 2019, and this is no longer the case for today's agile workforce... This final session will explore the true capacity of the modern workplace, including the factors that govern it, the way to calculate it and the mechanisms to understand how much of your workplace capacity has been consumed.</i> Case Study: British Heart Foundation's Smart Working initiative
December	03	Leaders Forum <i>The Leaders forum is an enjoyable early evening event for the most senior leaders at which we will debate and explore topics of strategic interest relevant to members.</i>
	09	Managing the 'Agile Workforce' Interactive Online Workshop 5 <i>A deep-dive into the essential skills, attributes and practices required to implement effective virtual / agile working.</i>
January 2020	27	Designing Workplace Experiences Interactive Online workshop 6 <i>Designing a workplace experience requires a very different approach to the disintegrated traditional process we see today. It requires a holistic, multi-disciplinary design team and process that explores how every second and every sense can be used to deliver value. This session will reveal how.</i>
February		AWI 2020 programme launches
