

Advanced Workplace Institute Diary | UK & US 2020 – 2021

*Prices are for the reference of non-members, members have access to all events with no additional fee

Month	Date	Event
April 2020	22 & 23	Returning to the office Two part session Online Workshop £395/ \$499 <i>A series of interactive, no-nonsense, science based on-line 'think tank' events designed to help members benchmark with other organisations, understand what's going on in other organisations and countries and develop effective strategies. We're keen to get to the best practices uninfluenced by commercial interests of market.</i>
May 2020	6 & 7	Latest Research- Managing the agile workforce Two part session Online Workshop £395/ \$499 <i>We've been working in the background with our friends at The Centre for Evidence Based Management (www.cebma.com) to update our academic research on 'Managing the agile organisation'. We'll reveal the results and their implications and give your organisation access to the most reliable and up to date research and implementation guidelines on the planet.</i>
	20 & 21	Developing a working away programme Two part session Online Workshop £395/ \$499 <i>Building on our recent Working Away program, we'll be running a 2 part on-line workshop to support members in developing their own 'Working away' programs. These workshops will cover policies, skills, technology, infrastructure and on-going monitoring.</i>
June 2020	17 & 18	AWI Workplace Management: Where do we go from here Two part session Online Workshop £395/ \$499 <i>A 2 part on-line Workshop that examines the impact of the Covid 19 outbreak on the role of Workplace Management and asks 'What does workplace management 2.0 look like and how do we get there?'</i>
	25	What do we do next, and what are we currently doing? Leaders Forum £250/ \$299 <i>An opportunity for senior leaders from FM, HR, CRE and IT to come together, discuss the challenges facing their organisations and benchmark against others initiatives. A Chatham House rules discussion designed to help those with strategic oversight in their organisations.</i>
July 2020	15 & 16	The neuroscience of knowledge work Two part session Transition Group Workshop £395/ \$499 <i>In the world of knowledge work, the human brain is the most important tool we bring to work every day. This highly informative kick-off session will provide expert explanation and insight into how the brain works, how to maximize its performance and, subsequently, how this knowledge can be used to design the ultimate workplace experience.</i>

Advanced Workplace Institute Diary

UK & US 2020 – 2021

Month	Date	Event
July 2020	21	Cognitive fitness – research update Online Workshop £150/ \$199 <i>Join us for an update on our 2015 cognitive fitness research. The original study identified 13 factors that are important in helping our brains to be at their best. Having updated this research, we will share the findings.</i>
August		August Break
September 2020	9	Introduction to the maturity assessment tool Workplace management strategy workshop £150/ \$199 <i>An introduction to the evolving discipline of Workplace Management, the Workplace Management Framework and online Maturity Assessment Tool for senior leaders, and an approach to using them to transition their organisations to Workplace Management.</i>
	15	2030 Visions - Economy Leaders Forum £250/ \$299 <i>This session is part of our 2030 Visions program – where two speakers give their predictions on key topics. This session will look at:</i> How the global economy will change between now and 2030
	23 & 24	Working together to develop a workplace management Strategy Two part session Transition Workshop £395/ \$499 <i>Developing a workplace strategy is not a job for one discipline. We need to work together – CRE, HR, IT, FM. This workshop explores ways to work together to develop a holistic strategy rather than pursuing silo'd goals that don't focus on the workplace customer's needs.</i>
October 2020	5	The Latest AWI Research Update Online Workshop £150/ \$199 <i>Join as as we unpack the most recent AWI research and consider what it means for our organisations, real estate, management and populations.</i>
	21 & 22	Managing complex multi-disciplinary workplace change Two part session Transition Group Workshop £395/ \$499 <i>Changing workplace practices, behaviours and processes in today's fast paced business environment is a challenge for all organisations. This workshop looks at why change is so hard and what we can do through effective change management to address the challenges – providing an update on recently developed techniques.</i>

Month	Date	Event
November 2020	18	<p>Introduction to the maturity assessment tool Workplace management strategy workshop £150/ \$199</p> <p><i>An opportunity for those using the Maturity Assessment Tool to share experiences and what they've learned through using the process. Participants will be able to swap results and learnings in a confidential setting, with the opportunity to benchmark and identify best practice.</i></p>
	25 & 26	<p>The employee as a workplace consumer Two part session Transition Group Workshop £395/ \$499</p> <p><i>As the battle to recruit and inspire the best talent rages, smart organisations are beginning to think of employees as workplace “consumers” with the same choices, rights and preferences as retail consumers. Considering workplace consumers in this way forces us to think more deeply about their functional and emotional needs and the diversity of our working population, so we can provide services and experiences that satisfy those needs. This workshop explores the skills, processes and techniques needed to manage relationships with workplace consumers / clients and the interface with supply partners.</i></p>
December 2020	8	<p>2030 Visions - AI and Tech Leaders Forum £250/ \$299</p> <p><i>This session is part of our 2030 Visions programme – where two speakers give their predictions on key topics. This session will combine participants from the UK and New York to look at:</i></p> <p>The impact of AI and technology on the workplace and workforce in 2030</p>
	9	<p>Using science and evidence to make a difference in workplace management Online Workshop £150/ \$199</p> <p><i>Everyone talks about ‘research’ – but how can you differentiate between the latest Vox pop opinion pieces and things you really need to pay attention to in the workplace arena? This session will explain the “evidence based” approach and how to keep yourself on the right side of opinion vs science.</i></p>
January 2021	13 & 14	<p>Managing workplace capacity in a virtual world Two part session Transition Group Workshop £395/ \$499</p> <p><i>Managing workplace performance management is a multi-faceted, multi-dimensional task that is not for the faint of heart. To help leaders maximize the performance of each individual and community within the workplace, this dedicated session will explore the highly effective techniques that can be used to accurately measure human and workplace productivity, efficiency and utilization.</i></p>

Month	Date	Event
January 2021	27	<p>The Latest AWI Research Update Online Workshop £150/ \$199</p> <p><i>Join as we unpack the most recent AWI research and consider what it means for our organisations, real estate, management and populations.</i></p>
February 2021	10	<p>Introduction to the maturity assessment tool Workplace management strategy workshop £150/ \$199</p> <p><i>An introduction to the evolving discipline of Workplace Management, the Workplace Management Framework and online Maturity Assessment Tool for senior leaders, and an approach to using them to transition their organisations to Workplace Management.</i></p>
	16	<p>2030 Visions - Organisations and their workforces Leaders Forum £250/ \$299</p> <p><i>This session is part of our 2030 Visions programme – where two speakers give their predictions on key topics. This session will look at:</i></p> <p>What organisations and their workforces will look like in 2030</p>
	24	<p>The latest on knowledge worker productivity Online Workshop £150/ \$199</p> <p><i>In 2019 we updated our research on knowledge worker productivity and found that although there are still “Six Factors” you need to know about, there are some new aspects of those areas that are worth your attention.</i></p>
March 2021	3 & 4	<p>Developing a culture of innovation in workplace experience management Two part session Transition Group Workshop £395/ \$499</p> <p><i>The improvement and ongoing management of workplace experiences requires the creation of a cohesive community of people from all supply chain partners and disciplines – working together. We look at the process of innovation, the creation of the right culture, motivation and reward structures to get people working together rather than working in silos.</i></p>
April 2021	28	<p>The science behind managing the agile workforce Online Workshop £150/ \$199</p> <p><i>A deep dive into the essential skills, attributes and practices required to implement effective virtual / agile / activity-based working – revealed by AWA's research.</i></p>
